

# Reporting on Directive 2019/904 on the reduction of the impact of certain plastic products on the environment

## - 1<sup>st</sup> Webinar –

4<sup>th</sup> March, 10-12 CET

### **Objective:**

This 1<sup>st</sup> webinar intends to support you in the reporting of data and information linked to Directive (EU) 2019/904 of the European Parliament and of the Council of 5 June 2019 on the reduction of the impact of certain plastic products on the environment.

During the webinar we will introduce you to the team that will be supporting you along the reporting process and we will get to know the current community of country reporters. You will learn about the support options that will be available to you and the main milestones of the process. We will be addressing some preliminary issues identified by countries in their attempts to collect the required data and information.
